Ideal for those who like to explore the great country of ours while still enjoying style and comfort, the all-new La Vista Great Northern MDS18' provides a host of impressive additional features and extras at standard cost designed specifically to explore Australia's legendary landscapes.

The modern spacious interior reveals a luxury kitchen complete with double door 164L three-way fridge, and the high-quality Swift stove and oven let you take the comforts of home on the road with you. The cabinetry boasts premium acrylic finish, complimented stylishly by attractive chrome push button handles with inbuilt lock mechanisms.

The queen size Australian made mattress makes every night's sleep a great one, sitting pride of place in a bedroom filled with natural light from extra-large Euro-style windows. The lounge seating provides the ultimate comfort in your choice.

And with its unbeatable competitive price tag, the La Vista Great Northern MD offers holiday-makers a great value holiday home that they can take anywhere.
